Located in the picturesque medieval town of San Gimignano in Tuscany, Panizzi winery produce quality-driven, organic certified, Vernaccia di San Gimignano wines of typicity and excellent value. Vernaccia di San Gimignano is a historically important Italian DOC, Italy's first DOC in fact, and home to Tuscany's leading white wines. Typically dry, fresh, crisp, and mineral, with a slightly bitter after note, these wines are predominantly made from Vernaccia, but also permit small portions of other white varieties to be included in the blend.

Established in 1989 Panizzi work with 60 hectares of vines spread across four vineyard sites in the San Gimignano area; Lazzaretto, Santa Margherita, Montagnana, and Larniano. Born from research undertaken by Giovanni Panizzi, into Vernaccia di San Gimignano, the terroir, ageing techniques and sustainable agriculture, the company is run today by Simone Niccolai, who continues Giovanni's legacy and research. Sustainability is a principal focus for Panizzi. No pesticides, herbicides, or chemical fertilizers are used during the production of their wines, from the 2020 vintage onwards they are certified organic, though they have farmed using organic practices for many years, they also do as much as possible by hand to limit the use of machinery and their environmental impact. All their wines are vegan and vegetarian friendly.

Driven by identity, typicity, and quality, these wines show real focus, terroir expression, and varietal purity. The entry-level Vernaccia di San Gimignano is made from a blend of grapes from across all four vineyards, a fresh, easy-drinking style, offering fabulous value. The Vernaccia di San Gimignano Santa Margherita is from one of the very few cru vineyards in San Gimignano, a fantastic wine showing how very distinct each vineyard plot really can be. And lastly, the Vernaccia di San Gimignano Riserva is a complex and concentrated wine, which elegantly demonstrates how well these wines transform with age.

(Vernaccia di San Gimignano 2023) "A pretty vernaccia with white-flower, pear and grapefruit aromas. It's bright, crisp and refreshing with medium body. From organically grown grapes. Drink and enjoy." 91 points, James Suckling (July 2024)

(Vernaccia Riserva 2020) "Made with certified organic fruit, the 2020 Vernaccia di San Gimignano Riserva is slightly reductive on first nose with hints of matchstick that lift relatively quickly. The wine proceeds smoothly over the palate with orchard fruit, dried apple chips and some light spice. You get a good sense of the aromas. Full flavors are delivered to the palate with medium structure and easy freshness." 92 points, Monica Lamer, Wine Enthusiast (April 2024)
