

## VALDOBBIADENE DOCG PROSECCO SUPERIORE 'BOSCO DI GICA' BRUT - HALF BOTTLE

Veneto, Italy

Adami

[www.adamispumanti.it](http://www.adamispumanti.it)

### Method & Production

Vinification: light pressing with bladder presses, settling of must, fermentation at controlled temperatures (18-20 ° C) with cultured yeasts. Contact with fine lees in stainless steel for three months. Second fermentation "Italian Method" in steel pressure tanks. Second fermentation temperature 15-17 ° C. Cold tartrate stabilization (-4 ° C). Tight filtration before bottling to remove spent yeast from the sparkling wine. Cycle length: approx. 40 days.

### Tasting Notes

Straw yellow color. Creamy mousse and delicate, long-lasting bead. Rich on the nose, with excellent fruit, releasing scents of yellow apple and peach, with notes of wisteria and acacia blossom. Wonderful balance and elegance complement a pleasurable crisp spiciness. Delicious vein of acidity on the palate, displaying crisp, savory mouth feel. Generous, lingering flavors nicely mirror the nose and achieve perfect balance.

### Food Matching

Ideal as an aperitif, but also a wine to be enjoyed throughout a meal. Excellent with fish, shellfish, and other seafood. Goes well with any light, delicate dish.
