

Product Fact Sheet March 2025

PRIMITIVO - ORGANIC

Puglia, Italy Caiaffa

http://www.caiaffavini.it/en/

Method & Production

The land is cultivated organically, maintaining a synergistic balance between man and nature. The grapes are harvested with care, manually and then destemmed and crushed before being spontaneously fermented in contact with skins for around 20-25 days. The wine is aged for 3 months in oak barrels.

Tasting Notes

Bright, lifted, fresh aromas of red and dark fruits. On the palate it is slightly creamy yet very fresh with a hint of spice on the finish. Lovely balance, very bright and easy.

Food Matching

Tagliatelle al Sedano
