

SAUVIGNON BLANC BEERENAUSSLESE - HALF BOTTLE

Neusiedlersee, Austria

Weingut Tschida Angerhof

www.angerhof-tschida.at

Method & Production

Fermented and stored in stainless steel vats.

Tasting Notes

Sweet and sour with flavours of red gooseberry, green gage and honey blossom. Great concentration with clean and cutting acidity, this Beerenauslese is really well balanced.

Food Matching

Dessert, cheese.
