

## BIANCO FRIULI COLLI ORIENTALI

Friuli Venezia-Giulia, Italy

Miani

### Method & Production

Organically farmed vineyards. Hand-harvesting of the grapes. Fermentation using both native and selected yeasts in French oak barrels. 8 months aging in French oak. 6 months bottle refinement.

### Tasting Notes

"The 2021 Bianco is delicate in the glass, with smokey crushed rocks and lemon oils offsetting dusty stone and sage. This opens with a pretty inner sweetness and caressing textures offset by saline-mineral tones penetrating deeply. It leaves a lasting concentration while resonating with citrusy tension as savory herbal tones slowly fade. This is one of the most balanced and sapid Miani Biancos I've ever tasted." **93 points, Eric**
