Method & Production

In great vintages only, Produttori del Barbaresco produce nine single vineyard Riserva wines. These wines are produced from a selection of grapes sourced from nine historically premium sites within the Barbaresco village; Asili, Montefico, Montestefano, Muncagota, Ovello, Pajè, Pora, Rabajà and Rio Sordo. First released in 1967, they are vinified and aged in exactly the same style in order to show their different personalities at their best and purest form. Vinification: fermentation at 30°C, 32 days of skin contact, malolactic fermentation. Ageing: 36 months in large oak barrels and 9 months in bottle.

Complex wine with bright, intense fruit and lively acidity, nice tannic finish.
