

## COLLINES RHODANIENNES SYRAH 'LES JARDINS DE CHAVAGNAC'

Rhône Valley, France  
Thomas Farge

[www.vigneron-guy-farge-rhone.com](http://www.vigneron-guy-farge-rhone.com)

### Method & Production

Manual harvest of the organic, estate grown Syrah grapes. 20 days maceration. Fermentation in stainless steel using indigenous yeasts. Eight months maturation in tank before fining and light filtering.

### Tasting Notes

On the nose, candied fruit follows through to spicy notes. The palate combines richness and vitality, very well balanced and pleasant tannins.
