Method & Production

Tasting Notes

Dark mahogany in colour, the Coffee brandy combines the chocolatey aromas and flavours of the unusual mix of coffee and those of the wine distillate. The aromas and flavours are a delicious marriage of sweetness and bitterness with a mixtures of toffee, warm spices, roasted coffee and coconut milk.

Food Matching

A perfect match with plain chocolate and excellent with ice cream. Ideal to be savoured at the end of a meal as a digestif at room temperature or in the summer with ice cubes.
